

The Basehor-Linwood Education Foundation is an organization of local citizens whose mission is to enhance excellence in education by acquiring and distributing resources that advance innovative educational opportunities and provide scholarships for the students, staff and community of the Basehor-Linwood School District. For nearly two decades, BLEF has awarded scholarships and teacher incentive grants that total over \$300,000.

A personal donation to the Foundation is one means of supporting our endeavors. Because BLEF is a 501(c)(3) organization, your donations are tax-deductible.
